**RE: Pharmacy SLA and Service Delivery**

Dear Pharmacy

As you are aware the existing Service Level Agreement between Bury Council and your organisation for the provision of supervised consumption and needle exchange has now expired. Work is underway to refresh these agreements and specifications, and we plan to deliver the revised contracts soon. Information regarding supervised consumption arrangements and other changes will be forthcoming.

Whilst these elements are under review, please accept this letter as a formal request to please continue service delivery in line with the previously agreed SLA. No further formal variation is required beyond receipt of this letter.

Our team will continue to work closely with you and your representatives to deliver the best possible service for our local population. In the meantime we would like to thank you for your commitment and flexibility in these unprecedented times.

Thank you in anticipation.

Yours sincerely,

A handwritten signature in black ink, appearing to read "J. Hobday".
