

Pharmacies Stocking Palliative Care Drugs (Wigan)

The following Pharmacies have been commissioned to stock the following Palliative Care drugs. The range and quantity of drugs has been agreed between NHS Greater Manchester Integrated Care (Wigan Locality) and Wigan and Leigh Hospice Palliative Care Team. Other Pharmacies will also carry some of these drugs but not necessarily the full selection.

Should patients present to your Pharmacy requesting these medications and you are unable to fulfil the entire prescription, please refer to one of these Pharmacies. Please ensure the Pharmacy is contacted before referral to confirm stock availability before an individual travels to the Pharmacy.
