GMLPC Welcomes Bolton Contractors

Dear Bolton Contractors,

We are proud to announce GMLPC will now represent all Bolton contractors alongside our existing contractor base across Greater Manchester.

With this in mind, we would like to take the opportunity to offer a warm welcome to all of the new Bolton contractors that will be joining us!

GMLPC (Greater Manchester LPC) is the statutory organisation representing community pharmacies in Greater Manchester. We represent our pharmacy members in discussions with the NHS, local authorities, and commissioners to plan and agree local services.

The expansion of our footprint follows a vote in which GMLPC contractors approved amendments made to the LPC constitution to include Bolton Health and Wellbeing Borough. This decision to now include Bolton contractors within the GMLPC footprint enables us to better align our work with the locality structure set out within the Integrated Care System (ICS).
