

## Background Information

Represent the interests of all **community pharmacy** contractors

## Our Structure

**12 elected members**

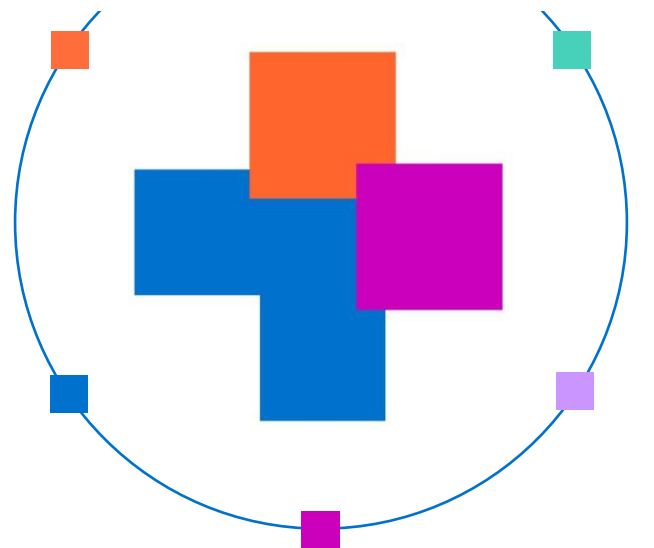

including representatives from Independent, IPA (formerly AIMp), and CCA Pharmacies

## What is outside of our remit?

We cannot commission a service, promote commercial initiatives, change the CPCF contract, directly support workforce recruitment or represent individual contractor interests.

However, **we can feedback your concerns to stakeholders and CPE**

## Who are CPGM?

## How we support you

- **Represent** our pharmacy members in discussions with the **NHS, local authorities** and **commissioners** to plan and agree **local services**
- **Support implementation** of local and national services & PQS through integrated partnerships
- Support pharmacy teams with **regular newsletters, guidance** and **briefings**
- Promote pharmacy through **engagement with MPs, Healthwatch** and other **health and social care partners**
