Re: Extensions to PGDs

Dear Louise

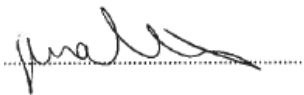

Thank you for your recent input and guidance regarding our pharmacy PGDs for Emergency Hormonal Contraception. To allow time to consider the national EHC PGD templates and how best to use them to inform local practice, I have agreed with Faisal Bokhari, Head of Medicines Optimisation (Tameside), that we will extend the current PDGs for one year. These extended versions have been titled v.3.2, however there has been no other change to the content.

Enclosed are these new PGDs:

- **Emergency Hormonal Contraception**
 - Levonorgestrel PGD – v3.2 1 April 2023 – 31 March 2026
 - Ulipristal PGD – v3.2 1 April 2023 – 31 March 2026

Thank you for the ongoing support of the Community Pharmacy GM and please feel free to contact me if there are any further concerns or questions in relation to this matter.

Yours sincerely,

James Mallion

Interim Director of Public Health
Tameside MBC
