

# Maximising Your NHS Income

## Practical Actions That Work

 Calling all Pharmacists, Pharmacy Owners and anyone supporting the dispensing process in Greater Manchester

Understanding how to maximise your NHS income has never been more important. To provide you with the relevant skills and expertise, we've organised this FREE event.

### During the day you'll learn about:

- Pharmdata, Nomination data and FP34s
- Ensuring you are being paid correctly and not missing out on any income
- Getting the most out of pharmacy services
- NHSBSA's key tips and advice around ensuring correct payment

**|| Snacks, lunch and refreshments will be provided**

### Why you should attend:

- Learn how to keep your Pharmacy financially sustainable in the long-term
- Hear expert advice and practical actions you can implement
- Network with your Pharmacy colleagues
- Further your professional learning and development
